

Get Recognized

Share Your Story

Submit a story using our simple online form. Once approved, your story will join hundreds of others in the Better World Project collection, and receive recognition on the autm.net home page and social media. And you get a T-shirt!

Search the Database

Search the Better World Project collection for stories — by institution, technology, state and city.

Advocate

Meeting with policymakers? Speaking about tech transfer issues? Use and share stories from the database to advocate on behalf of the profession.

Let Better World Project Tell Your Story

You know technology transfer benefits millions of people around the world, and now it's time everyone else did too. The **Better World Project** can help.

Get Started. Now.

Share your story. Because being part of the **Better World Project** collection allows AUTM, policymakers and your institution to promote your good work and the positive impact that academic research commercialization has on the globe. autm.net/submitBWPstory

Become a sponsor! Showcase your institution on the **Better World Project** webpages. For information, contact ismithbarnes@autm.net
