About AUTM: AUTM is a membership association and the non-profit leader in efforts to educate, promote and inspire professionals to support the development of academic research that changes the world and drives innovation forward. Our community is comprised of more than 3,000 members who work in more than 800 universities, research centers, hospitals, businesses, and government organizations around the globe.

AUTM is looking for a driven, creative, and dedicated Video Production Intern with video editing skills to join our team.

AUTM leverages videos to highlight technology transfer's impact, showcasing innovations and engaging our members. The ideal candidate will comfortably support our video production efforts remotely.

All applicants must be currently enrolled in a college, university, or technical institute. Internship candidates should possess strong written and verbal communication skills, demonstrate creativity, and eagerness to expand their skill set. Proficiency in Adobe Creative Suite is a plus.

This internship offers academic credit, as well as $15 per hour and requires a commitment of 10 hours per week. The internship is expected to last through the summer, for approximately 10 weeks.

Key Responsibilities:

- Assist in crafting video scripts to align with AUTM's messaging.
- Edit raw footage into polished videos that effectively communicate our message.
- Log and Organize Footage
- Basic animation and motion graphics skills

- Understanding of rhythm and pacing in editing
- Willingness to interpret and create storyboards as needed
- Familiarity with various video formats
- Basic graphic design capabilities are a plus
- Self-motivated with strong organizational skills

Requirements:
- Experience with Adobe Premiere Pro
- Access to own technology (computer, internet, necessary software).
- Must be available at least 1 hour per week during normal business hours for meetings and touch bases.
