GET RECOGNIZED

We have a story to tell. In fact, we have hundreds. They're about the millions of people whose lives have changed thanks to technology transfer, academic research innovation and its application around the world.

Visit the Better World Project to search our collection of stories and share your institution's own successes with us. Get included in the Better World Project and you'll get global recognition as you help bring research to life. Visit **www.autm.net/BWP**.

ABOUT AUTM

AUTM is the nonprofit leader in efforts to educate, promote and inspire professionals, throughout their careers, to support the development of academic research that changes the world.

Our 3,000 members work in more than 800 universities, research centers, hospitals, businesses and government organizations around the globe.
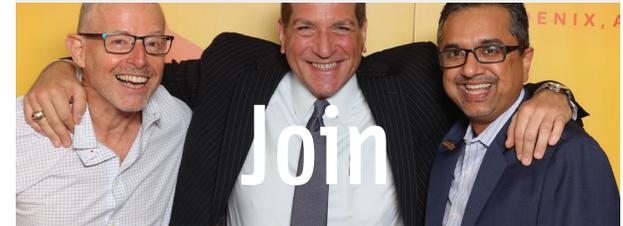

MEMBERSHIP TO SUIT EVERYONE

Regular – Want access to the full range of AUTM member benefits? Get discounts on our Annual and Region Meetings, professional development courses, surveys and databases.

Operations – Looking for tools to manage your office's IP portfolio or insure compliance? AUTM offers operations professionals cost-effective access to best practices and a network of peers.

Digital – Do you work or live in a developing country? Our low-cost, digital membership is ideal for those who are unlikely to attend our meetings but still want access to the AUTM community and tools.

Student – Are you a full-time student, fellow or resident? We offer a special membership to help you get started in your career.
