

# The Conversation

an AUTM Leadership Forum

## Sponsorship Program

August 29-30, 2022

Grand Hyatt | Denver, CO

## Sponsorship Levels

The Conversation, a leadership forum of high level technology transfer, corporate relations, investor/VC and industry professionals allows you to connect and discuss the ways in which we can leverage our leadership roles to stimulate interactions that drive broad collaborative initiatives, including accelerating commercialization and improving innovation.

**This event is designed for senior level academic professionals and industry leadership.**

The agenda includes timely discussions about holistic academia-industry engagements and current innovation initiatives, with a strict no-PowerPoints-allowed structure that engages attendees in meaningful discussion – and potentially debate – with each and every panel of experts. You will have an opportunity to explore current topics, including foundation and investor interactions, how IP affects us all, multi-institutional initiatives with industry, the expectations of our scientists and our bosses, and the entrepreneurial edge of the ecosystem.

As a sponsor your organization demonstrates its support for learning, sharing and networking to continuously improve the practices and skills that bring innovation to the public.
